4. Dwinita Larasati (Research Group of Man and Industrial Product, Faculty of Visual Art and Design, Institut Teknologi Bandung, Indonesia)
5. Ira Adriati (Research Group of Aesthetics and The Science of Art, Faculty of Visual Art and Design, Institut Teknologi Bandung, Indonesia)
6. Ahmad Syarief (Research Group of Man and Industrial Product, Faculty of Visual Art and Design, Institut Teknologi Bandung, Indonesia)

ITB Journal of Visual Art and Design
Information for authors

Articles submission, in the area of Visual Art and Design, that is not previously published nor under consideration elsewhere. The language used is Indonesian or English. Each manuscript will be reviewed by referees who are within the subject area, based on originality and scientific validity.

Manuscript in MS Word format is to be submitted online through http://journal.itb.ac.id or via e-mail to journal@lppm.itb.ac.id. The template for manuscript preparation can be obtained from the journal website. Copy right transfer will be sent after the acceptance of the manuscript.

Title and authors are written in the following form.

Conic Optimization with Application to (Robust) Truss Topology Design

Cornelis Roos[1] & Diah Chaerani[1,2]

[1]Faculty of Information Technology and Systems, Delft University of Technology,
Stevinweg 1, 2628 CN, Delft, Netherlands
[2]Department of Mathematics, Universitas Padjadjaran, Jalan Dipatiukur No. 112-116, Bandung,
Jawa Barat 40132, Indonesia
Email: roos@yahoo.com

The length of manuscript is not to exceed 20 pages (single space) including figures, tables and references. Electronic materials are required for final submission. Figures and tables are to be adjusted according to the appearance in the manuscript.

Abstract for a script that is written in Bahasa Indonesia should be completed with an English abstract, and should contain between 100 to 200 words. Five to ten keywords following the abstract should be written alphabetically in a row below the Abstract, separated by a semicolon between words.

References are written in brackets, and are written according to the citation order in the text. Multiple citations should be formatted, e.g. as follows: (2-4), (6, 8). Capitalize all the words in the paper title.
