Journal of Visual Art and Design

Journal of Visual Art and Design

Vol. 13, No. 1, June 2021

Institute for Research and Community Services
Institut Teknologi Bandung

Indexed by

Journal of Visual Art and Design

Journal of Visual Art and Design focuses on theoretical and empirical research articles in the Visual Art and Design disciplines in the region of Asia and Pacific. The scope includes the following subject areas: Design and Art History, Visual Culture, Art and Design Methodology, Art and Design Discourse, Design and Culture, Art and Design Sociology, Design and Art Management, Art Criticism, Anthropology of Art and Design, Industrial Design, Visual Communication Design, Photography, Interior Design, Craft, Architectural Design, Film, Multimedia, Design Policy, Psychology of Art and Design as well as Art and Design Education.

Journal of Visual Art and Design welcomes original research, Art and Design work, and critical discourse on traditional and contemporary issues in the field of Art and Design. Researchers, Artists, and Designers are welcomed to contribute in the form of conceptual or theoretical approaches, designer/artists' writings, case studies or critical essays in the fields of Art and Design. Authors are invited to submit articles that have not been published previously and are not under consideration elsewhere.

Abstracts and articles published on Journal of Visual Art and Design are available online at <http://journals.itb.ac.id/index.php/jvad>.

Published by The Institute for Research and Community Services, Institut Teknologi Bandung.

Cover Design by Chandra Tresnadi.

9. Manuscript preparation

Use the English language and the SI system (Système International d'Unités, often referred as "International Units") for measurements and units. Manuscript in MS Word or PDF format (generated from MS Word) is to be submitted online through <http://journals.itb.ac.id/index.php/jvad>. The length of manuscript is expected not to exceed 20 printed pages (single space) including abstract, figures, tables and references. An abstract between 100 and 200 words describes the significance of manuscript should be included. The authors should supply 5-10 keyword or phrases that characterizes their manuscript. Use 11 pt Times New Roman fonts for body of the text with 1.0 line spacing between lines. The references should be numbered consecutively in the order of their appearance and should be complete, including authors' initials, the title of the paper, the date, page numbers, and the name of the sponsoring society. Please compile references as shown in the examples below. Figures are printed in black & white, while color figures are only available online. Adjust the size of figures and tables as they will be appeared. All figure captions should be legible, minimum 8 point type. For all equations, use either Microsoft Equation Editor or MathType add-on. Equations are numbered consecutively in parenthesis, e.g. (1), and set at the right margin.
